## National News—1965

**1 A Wave for Friends**—Cuban refugees waved to Cuban exiles on shore as their coast guard cutter approached Key West last fall. Such emotional scenes occurred frequently after Castro announced his "open door" policy, allowing certain groups of Cubans to leave his dictatorship.

**2 Pioneer in Space**—Astronaut Edward White stepped from his Gemini IV space capsule and into the void of space last June. Maj. James McDivitt, his companion on a 3½-day orbital flight, had to coax White back into the capsule after he had traveled 20 minutes suspended from Gemini IV. Gordon Cooper and Charles Conrad were the next space twins to orbit the earth. They completed their 8-day flight in Gemini V during August.

**3 Medicare Bill Signed**—President Johnson signed the Medicare Bill into law July 30 with former President Truman at his side. Witnessing the event that had far-reaching effects on Social Security benefits for the elderly were (left to right) Lady Bird Johnson, Vice President Humphrey and Bess Truman. The ceremony was held in Truman Library in Independence, Mo.

**4 Temporary Mood**—Dodgers Manager Walter Alston's mood of dejection after the Minnesota Twins won the sixth World Series game did not last long. The Dodgers emerged victorious in the 7th game and captured the pennant.

**5 Double Space Spectacular**—Astronauts Wally Schirra and Tom Stafford got this view of the Gemini 7 spaceship December 15 while traveling in their Gemini 6 craft for their historic rendezvous adventure. Schirra and Stafford rode their red-hot craft back to earth the following day, but Gemini 7 completed a 14-day mission before its re-entry. Making the longest and most significant voyage in space in Gemini 7 were Frank Borman and James Lovell, Jr.

**6 Plea for Peace**—Pope Paul VI stood before the United Nations General Assembly in New York on October 4 to deliver his plea for

2

6

7

8

world peace. His unprecedented, one-day visit in the U.S. was the culmination of plans by men of all faiths.

**7 After Surgery**—President Johnson was photographed in a reclining chair at Bethesda Naval Hospital the day after his gall bladder operation on October 8. He conducted the work of his office from his hospital room and his Texas ranch during his recuperation.

**8 Proud Student**—Charles Craig, 19-year-old freshman at Iowa university, demonstrated his criticism of draft-card burning incidents by displaying his draft card on his jacket with the note: "I'm a draft card carrying American and proud of it." Our role in the Vietnamese war sparked the incidents.

**9 Blackout**—The glittering metropolis of New York City was thrust into darkness on November 9 by a massive power failure affecting hundreds of miles along the eastern seaboard. City residents and commuters were stranded in offices, railroad and subway stations for hours before service was restored. The crippling condition was caused by a faulty relay at a Canadian generating station near Niagara Falls.

**10 New Ambassador**—Arthur Goldberg was named U.S. Ambassador to the United Nations by the President after the death of Ambassador Adlai Stevenson on July 14 in London. Goldberg was secretary of labor under President Kennedy and a U.S. Supreme Court Justice when named to the U.N. post.

**11 Startling Fashions**—Bold and contrasting blocks of color were the youthful fashion note of 1965. The eye-catching designs even extended the length of campus stockings worn with the costumes.

**12 Royalty on Tour**—Princess Margaret and her husband, Lord Snowdon, arrived in New York on November 4 for a whirlwind tour of the U.S. During their visit, they took time out for fun-filled activities such as a ride on a cable car in Frisco and gala parties in Hollywood and the nation's capital.

## World News—1965

**1 Humanitarian Dies**—Dr. Albert Schweitzer died in September at Lambarene, his primitive hospital at the African jungle outpost of Gabon. The famed physician, who reached his 90th birthday in January, worked most of his life to relieve the suffering of jungle natives.

**2 Queen Speaks**—Queen Elizabeth II dedicated the John F. Kennedy memorial at Runnymede, England on May 14. Mrs. Kennedy is seated to the left and Prince Philip to the right of the queen. Carolyn Kennedy is seated between the queen and her mother, and Sen. Robert Kennedy stands behind Mrs. Kennedy.

**3 Miss Universe**—The reigning queen of beauty in the universe during the year was a representative from Thailand.

**4 Bosch Returns**—Former Dominican Republic President Juan Bosch was vehement in his address at a rally September 25, shortly after his return to Santo Domingo.

**5 Wins in Run-Off**—Charles deGaulle polled 55.2 per cent of the vote in a run-off election against Francois Mitterrand on December 19. The vote gave DeGaulle the French presidency for another 7 years, but the strength of the Socialist-Communist candidate corroded the popularity of the 71-year-old president.

**6 Agrees to Cease-Fire**—Pakistani Foreign Minister Zulfikar Bhutto (right) agreed in the U.N. Security Council on September 22 to accept the Council's cease-fire order in the undeclared war between Pakistan and India. Pakistan's announcement came after India had agreed to the order.

**7 Abortive Coup Fails**—Indonesian President Sukarno was toppled from power for a brief 20 hours last fall. He gestured at a cabinet

7

8

meeting on October 6 during his first public appearance after the coup, which seriously shook his one-man rule.

**8 Soviet Winner**—Russian author Mikhail Sholokhov was vacationing in the Ural region on October 18 when he heard he had been awarded the 1965 Nobel Prize for Literature. The December award ceremony was held in Stockholm.

**9 Return to Desolation**—Hundreds of families returned to the ruins of their homes, destroyed by eruption of Taal volcano in Manila, on September 28. Volcanic ash covered the area. The death toll was estimated at 100.

**10 Price of War**—The number of casualties increased as the U.S. stepped up its military action in Vietnam. American advisers took part in many helicopter missions, carrying wounded soldiers, Vietnamese and American, to copters on makeshift landing areas en route to Saigon.

**11 Reason to Celebrate**—Chancellor Ludwig Erhard of West Germany waved to a cheering crowd in Bonn after his Christian Democrats surged to victory in the September 19 parliamentary elections. Mayor Willy Brandt's Social Democrats suffered defeat in the voting.

**12 Colonial Rule Shaken**—Rhodesian Premier Ian Smith broadcast a proclamation of sovereign independence for Rhodesia on November 11. The split from Britain was made in an attempt to insure a white-minority rule of the African colony. As the British government in London since the American colonies broke away, it retaliated swiftly and took the problem to the U.N. Security Council, which asked all nations to enforce an embargo against the African colony.

# WALUM OLUM HISTORY

About 1000 A.D. a famous tribe of Indians known as the Leni Lenape invaded eastern Pennsylvania. These "original people" settled in our area and inscribed their history in a "book" made of birch bark plate. This "book," called the "Walum Olum," was the first primitive eastern Indian record which can properly be called a book. Since the Leni Lenape were prominent in our area and called their history the "Walum Olum," we, the class of 1966, should like to record the history of our class in our "Walum Olum."

## DEDICATION

Defending freedom is never an easy task. But to do it in a far off land, against a sly and dangerous enemy is extremely difficult. The United States soldiers are fighting in Viet Nam so that the fighting will not be fought in the United States. His courage and devotion, even in the face of criticism at home and abroad, best exemplifies the

American ideal. Victory will not come easily for them, but they will always have a special place in the hearts of every true American. It is for this reason that we the class of '66 in recognition of their heroic struggle against tyranny dedicate our yearbook to the United States fighting men in Viet Nam.

Floyd W. Boyer  
Supervising Principal

Now that you the Class of 1966, have completed the first twelve years of your formal education, I sincerely hope that each one of you has gained an appreciation for education and a sincere desire to continue your formal training.

You should consider yourself fortunate to be born as citizens of a country which offers unlimited opportunities for success in whatever field you may choose as a vocation. The only limitation to your contributions is your own potential. It is only by continued training and preparation that one's potential can be increased.

Whatever your vocational choice may be for the future, you will be required to continue your education either formally or informally for the remainder of your natural existence.

It is my profound hope that you may have gained the skill of seeking knowledge and sifting out and retaining the desirable fragments and discarding the undesirable.

If you have acquired this skill, and if you will use this skill for the benefit of society, your education has been very profitable to you and to society.

Floyd W. Boyer, Supervising Principal

C. A. Roth  
Principal

You are about to shut the door on your 'Student Life' as you have lived it at Upper Perkiomen. You will, however, take with you many happy memories you experienced in your academic endeavors, your social functions, your athletic games, and other extracurricular activities. Your participation and performance in all these areas had been commendable. **Congratulations!**

It is hoped that such a well-rounded program has provided you with the knowledge and judgement to help you solve the problems which each of you will encounter as you take your place in society.

**Best wishes for your happiness and success!**

C. A. Roth, Principal

Warren C. Schlegel  
Assistant Principal

It is the mind that makes the body rich. It is also the mind that makes the body poor — poor in health, poor in daily living, poor in reaching goals in life. It is your choice to make.

We have tried to help you in developing more realization of self in making you more adaptable for reeducation in a changing world in encouraging you to make the right choice between the tawdry and the worthwhile.

But as it was when we were assisting you, so it is now you alone are greatly responsible for the realization of your hopes and endeavors. I wish you all success in this realization. Let your mind make your body rich.

## OUR CLASS HISTORY

In the fall of 1960 we the Class of 1966 entered the halls of Upper Perkomen High School for the first time as only seventh graders. We must have been an odd sight to upperclassmen — lanky girls and uncoordinated boys . **very few looking at all sophisticated.**

By the time we returned to school for our eighth grade year we had developed more poise. We remember that year especially as the year the J.P. football team **won its first victory in 28 games.**

In 1962 we began our high school days in earnest as freshmen. We sponsored our first dance, Rhythm of the Rain — selected our class colors — light blue and navy — and purchased class jackets. That was the year that J.P. welcomed its **first two exchange students.**

Then came our sophomore year. Who could forget that year? J.P. took the Bux Mont football co championship. Our sophomore dance, "Scheherazade," **was a big success.**

Our junior year was busy and rewarding. In spring our ambitious thespians experienced their first case of stage fright as they presented the Junior Play, "The Ghoul Friend."

In September 1965 we again entered the familiar halls of Upper Perk. Only five years had elapsed since our first entrance, but what a change had taken place! We were poised and much more sophisticated. Our class play, "Time Out for Ginger," evoked many chuckles from the audiences, and the concerted efforts of all committees made the Senior Prom, "Arrivederci Roma" — a delightful experience and fond remembrance. The class trip and commencement culminated a full and hectic high school career.

Best Dressed: Barbara Romeike, Tom Henry

Many varied fashion fads were with us in our high school career. Throughout the years people were seen sporting madras clothing, loafers, textured stockings and kneeboots, mohair sweaters, bench warmers, shoulder bags, and pin striped shirts. For the girls, pierced ears became very popular. The London look popularized the collarless sport coat for boys and inspired the Mod Look for girls.

The dances of our high school days changed even more than we did. We went from the twist, the pony, and the mashed potato of our junior high days to the frug, the jerk, the 81, and the sloop of our more recent years. The discothèque, a record dance at a night club, grew greatly in popularity.

Best Dancers: Bonnie Marks, Bill Orthaus

Did the Most for the Class. Mary Ann Frey, Carl Graber.

Our class, like every other class, engaged in many activities. Many students spent their spare time decorating for the proms, selling food at the refreshment stand, serving on such committees as planning for the class trip, acting either in the plays or as the stage crew, or participating in activities to raise money or better the class. To these people we owe our successful years

## JUNIOR PLAY

On the nights of April 9 and 10, 1965, the Class of '66 presented the mystery-comedy, "The Ghoul Friend."

Dan Merrick (Dan Moser) and his sister Lolly (Karen Hamm) contrived a scheme to boost the business of Green Willow Lodge, owned by Mrs. Merrick (Julie Boehner). Stories of a lake monster were publicized, and many people came to see the monster. Bongo (Ron Moyer), a friend of the Merricks, was to appear as the monster. But after a few strange coincidences and the appearance of Marina (Bonnie Johnson), the phantom

daughter of Mad Devlin (Gary Batzel), mystery was added to the play. The antics of Daphne (Diana Leister), a superstitious maid, provided a comic relief in the suspense-filled scenes. As usual, the villian of the play, Professor Gaines (Jim Roth), was foiled in his scheme to exploit the discoveries of Mad Devlin for his own advancement.

Through the work of our behind-the-scenes crews and the great patience of our capable directors, Mrs. Anne Raymond, and Mr. Tom O'Connor, our first dramatic performance was a monumental achievement.

## "TIME OUT FOR GINGER"

"R-r-ronald will you please stop making those chicken noises!"; "John you must talk slower!"; "Dennis, get off the stage." "Barbara, stand like a lady." These memorable words of the directors Mrs. Anne Raymond and Mr. Tom O'Connor echoed through the auditorium as the seniors prepared for their final dramatic production. The comedy, "Time Out For Ginger," was presented on November 19 and 20, 1965.

The plot began to unfold after Mr. Carol (D. Moser) had given a speech in which he stated that everyone should be allowed to do what he wants to do. On the following day Ginger Carol (Diana Leister) practiced what her father had preached; she reported for the high school football team. Her mother (Barbara Romeike) and

her sisters (Judi Carls and Paula Kolb) shared mixed emotions concerning the actions of this fourteen-year-old tomboy. Because Mr. Carol refused to retract his statement, he was faced with the loss of his job and the indignation of the school authorities. Through the efforts of her boyfriend (John Ehinger), Ginger was finally convinced that she enjoyed being a girl.

The actions of the maid (Julie Boehner and Karen Hamm), the bank president's (Ron Moyer) song and dance routine, and Eddie's (Carl Graber) rendition of "Hang on Sloopy" will never be forgotten.

The entire cast, the stage crew and the directors are to be congratulated for a job well done.

## JUNIOR PROM

Pagodas set against snow covered peaks, rickshaws garlanded with pink carnations, and Japanese gardens watched over by an oriental beauty greeted the guests as they passed through the dragon guarded entranceway at our Junior Prom. The auditorium was turned into a true "Oriental Fantasy" for our first big social event.

Who will forget the beauty of the room softly lighted by oriental lanterns, or the lovely music supplied by "The Serenaders"? The time passed all too quickly. A party held at the Green Lane Fire Hall helped stretch out the pleasant evening. All the girls were lovely, the boys handsome, and the night was one to remember.

## SENIOR

Each year many seniors contribute their time and energy for the benefit of the class as workers in the refreshment stands, announcers at football games, prompters and stagehands for the plays, and members of the various prom committees.

Among those who worked to make the prom's notable events were the members of the decorating committee, the entertainment committee, and the refreshment committee. They are to be congratulated for their magnificent accomplishments.

## SERVICES

The most lucrative of the above-mentioned enterprises is the refreshment stand. All of the money which is taken in is put into the senior class treasury. Many thanks go to Mary Ann Frey who was in charge of the stand at the football games and to John Ehinger who ran the stand at the basketball games.

Upper Perk's football fans are well-acquainted with the voices of Dan Moser and Ron Moyer who

covered the play-by-play action and half-time activities

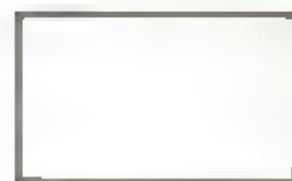

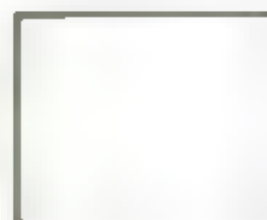

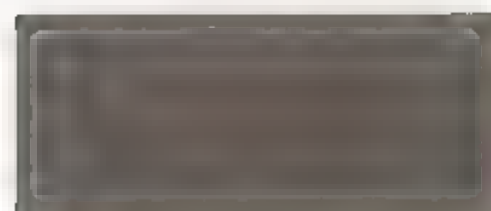

What would a dramatic production be like without a stage-crew and prompters? The seniors who filled these capacities were indispensable. Thanks to them our Junior and Senior Plays were highly successful

Sincere thanks go to all the seniors who have rendered their services to the class.

Football once again dominated the fall sports scene. Few football mentors predicated a high finish for the Indian team, but a talented group of sophmores and juniors combined with determined senior veterans carried the warriors above all preseason predictions. Only a lack of depth and unfortunate injuries to key players prevented the Keenymen from going all the way.

It took a disappointing preseason loss to Boyertown to jell the unit. The next game, however, proved the lesson of Boyertown had been well learned. A tough Hatboro team proved no match. Local fans were already calling Tom Henry one of the top backs in a league full of hard running, talented ball carriers.

The strength of the Indian defense was proven against a team which shocked all preseason predictions. Wissahickon, said to have no chance in the football standings, led by a new coach,

routed many fine teams. But our defense, led by Keith Kleinbach smothered Wissahickon as the offense managed a touchdown in the closing seconds to win the game. Henry however joined the growing list of casualties before the Central Bucks game. With the better part of our running attack gone, the team gave the Bucks a grudging victory. Springfield proved no match and were routed in fine style. Upper Moreland was smothered. Keith Kleinbach's brilliant defensive performance was largely responsible. He demonstrated the form which earned him a berth on the second team all state and nomination to play in the big thirty-three game. Unfortunately, star offensive and defensive senior tackle, Richard Weikel, was injured early in the game and missed the next two games. Weikel, all Buxmont both offensively and defensively, was the key to the forward wall which featured seniors: Rusty Engle,

Dana Karver, Rich Mohler, Scott Wehr, and Warren Long. These men picked up the slack and ripped apart defending champion Pennridge, probably the highlight of the season. Henry sparked the offensive while Rob Weidner led the defense. North Penn perennial football powerhouse fell for the fifth straight year to the Indians by a 7-6 squeaker. Senior Jack Bowlin and all Buxmont sophomore Jim Bauman sparked an aroused Upper Perkiomen defensive line to throw back repeated North Penn thrust at our goal.

Quakertown, the class of the league, faced ridden Indian squad and overpowered us in an exciting game.

The Indian team, weakened still more by the rough Quakertown game, failed to move the ball against rival Souderton. Momentary defensive lapses gave the highpowered visitors a Thanksgiving victory.

Experienced coach Steve Ruby began a new concept of the game he thought possibly appropriate for the players. This concept, based on depth, would permit Upper Perk to have two units of basically the same strength. The results of preseason scrimmages forced Coach Ruby to abandon this concept and, due to the loss of two key scorers (Stan Graber and Denny Kleinbach), to work on the potentials of his only partially experienced squad.

The Indian's basic problem seemed to be unification of their efforts. Examples of this

would be Pete Reigner's scoring spree in the first quarter of Wissahickon's game, Rusty Engle's 22 Point exhibition at Pennridge, and Jim Young's Upper Moreland attempt. Because of this the Indian's shooting percentage was seldom very high.

Though Coach Ruby's concept had failed, he many times found refuge in a competent bench. Senior Ron Moyer, and juniors Jim Nace, Rich Butterwick, and Pete Reigner scoring needed points and providing necessary board strength to suit the occasions.

The season provided good experience and should make next years team a very strong one. Though this year was not highly successful, sparks of progress dominated the season. With a

loss of five seniors Ruby will have to start from the beginning, but the earlier mentioned string bench, and a brilliant J.V. squad should make victorious flow freely next year

## JUNIOR VARSITY BASKETBALL

This year's Junior Varsity was gifted with great height, talent, and agility. Victories were outstanding and the losses were heart breakers. Smashing the boards throughout the season were sophmores Brian Schultz and Jim Bauman and junior Bruce Marks. The latter two and Steve Moyer led the scoring throughout their triumphant season. The guidance of their coach and their already highly developed potential should be a definite asset to the 1966-67 Varsity team.

### NO MAGIC FORMULA

Good basketball players don't "just happen." It takes time and plain hard work to develop unskilled material into game-winning players. There is no magic formula.

Since neither science nor alchemy has produced anything resembling that formula, coaches still must take the untrained, often awkward, adolescent girl and work toward developing her into a part of a smooth, closely knit unit — the team.

Before any player enters into the special training required to become a basketball player, she should consider two aspects not involved in her technical training for the game, but which are equally essential if she wishes to become an outstanding athlete. These two essentials are (1) desire to win, or the "will to win," and (2) physical condition.

The desire to win is the most important factor in becoming a basketball player. Without it, players seldom pay the price to get in top physical condition. It is almost impossible for a team to win, although it may display superior technical

skill, if players do not possess more of this "will to win" quality than their opponents.

Though the Indian squaws strived to achieve these basic mental concepts, victories were scarce.

The girls basketball team had an exciting season. While victories were hard to come by, returning seniors Peggy Stoudt, Julie Boehner, and Susan Mensch led the team to victories over Boyertown and Pennridge. Injuries to co-captain Susie Mensch and juniors Leslie Brode and Donna Seasholtz hurt the team's chances. Peggy Stoudt was the high scorer of the season averaging 10 points a game. Sharon Miller and Karen Hamm rounded out the senior members of the squad with underclassmen, Wally Tonkonh, Diane Hallman, and Sandy Leister contributing valuably during the course of the season. The girls, while thirsty for victories enjoyed the season under the direction of new coach, Mrs. Felton. The seniors will have many pleasant memories to look back on, and the underclassmen gained valuable experience for next year.

### BASEBALL 1966

Coach Bill Keeny does not look forward to a more progressive team than any other year. It seems every year some phase of play is lacking making it impossible to have a tremendously successful team. This year a very important part of the team, the pitching staff, is lacking necessary depth and experience due to the loss of two definite pitching assests

Because only three seniors are listed on this years squad, experience will be acquired for an uplooking team for 1967

Coach Richard Werkheiser

With Richard Werkheiser taking over the coaching chores this year, Upper Perkiomen hopes to field a greatly improved track team. Seniors contributing to the cause will be Bruce Wahl and Harold Weber in the mile; Leslie Schofer in the broad jump; Jim Roth and Dana Karver in the javelin; Jim Young in the sprints; Jack Bowlin in the discus; and Rich Weikel and Gilbert Ebright in the shot put. Harold Weber, who placed second in the Bux-Mont cross-country meet, should do well in the mile for the Indians. Rich Weikel, who placed third last year in Bux-Mont competition, is looking forward to an even more profitable year in the shot put. Dana Karver and Jim Roth show a great deal of promise in the javelin, as does Jim Young in the 220.

Upper Perkiomen reintroduced Cross-Country into its extra curricular activities schedule. Joseph Procak consented to be the coach of this surprisingly successful squad comprised of 12 talented members. Among the 12 endurance men were 6 seniors: Harold Weber, James Young, Ron Moyer, Jim Roth, Bruce Wahl, and Art Stoneback. The anxious Indians confidently followed the rigorous practice schedules set up by competent Coach Procak and ended up in the number five position in the league. Outstanding individual efforts from our Alma Mater were present at the All-Buxmont classic as Harold Weber displayed his abilities as an endurance man capturing the second position, and Track sprinter, Jim Young, finished number 18 (both Jim's and Harold's medals are displayed at right). If more depth can be acquired to back the already strong underclassmen, U.P. Cross-Country can look forward to an even more successful season for 1966

**Officers:** Daniel Moser, Sandy Heimbach, Karen Hamm, Rosemary Shuhler.

The National Honor Society has worked diligently to maintain its characteristic standards of character, scholarship, leadership, and service. By adhering to these qualities, the fourteen NHS members set an example to encourage other students to aspire to higher vistas.

The tutoring program, only one of various projects sponsored by NHS, offered help to any student having difficulty with his courses. Another project sponsored by the NHS to support the foreign exchange student, Jan Baas, was the sale of mums for the Thanksgiving Day football game.

Officers leading the NHS through the 1965-66 school year were Rosemary Shualer, President; Karen Hamm, Vice-President; Sandy Heimbach, Secretary; and Daniel Moser, Treasurer.

To end a successful year, a pompous induction ceremony was held March 4. Several new members were received into the Society.

This year under the leadership of Mr. Carl Arner and the new senior high advisor, Mr. Robert Share, the Student Council has been busy planning and executing programs for our school. Among their projects this year were several dances, the annual "Decorate Your Door" contest, which helped to brighten the halls at Christmas time, various assemblies, and the revision of the Student Council Constitution.

Representatives traveled to State and District conventions to learn more efficient and effective methods of student government.

The Council wishes to thank the student body for its part in making the Student Council's program a success.

## WALUM OLUM

In the last months of our junior year the yearbook editors and the various staffs were chosen so that work could begin as soon as possible in the fall. We received much help from our advisor Mr. Schlicher.

A yearbook is truly the product of many different talents. The layout for the entire book

was drawn up, photographs were taken, write-ups were completed, art work was sketched, and the patron drive was held. It is our hope that all seniors can find pleasant memories within the pages of this year's *Walum Olum*.

## PERK-O-LATOR

Under the guidance of Alice Tarone, the Perk O-Later staff published several issues of the newspaper this year. Pupils purchased subscriptions and single copies in large numbers. A steady reporting of the happenings that made news at Upper Perk enabled the student body to be well-informed about these major occurrences during the school term. Such features as "Ebersole and Shalomar," "Top Ten Tunes," and "TV Guide" appeared along with news articles, provocative editorials, and sports write-ups.

## SENIOR MARCHING BAND

Conductor: Vincent P. Bercher

The Upper Perkiomen Marching Band again provided excellent entertainment at the football games this past year. Our band also gained recognition by playing at concerts and marching in parades. The marching band, among other honors, received a \$50 first prize in the Macungie Halloween Parade. The climax of their marching season came when they placed second in field competition held at Upper Dublin High School. Our lively majorettes also brought a first place at this "Band Day Event."

Through competitive tryouts, individual members represented our band in various organizations. Twelve of our band members were chosen to play in the Bux-Mont Band's Twentieth Concert. Three members

Sandra Heimbach, Marvin O'Conner, and Clark Hamman participated in the District Band Festival. Marvin O'Conner, was also selected to play in the Regional band. ## CONCERT CHOIR

Director Nora Jacobs

Under the competent direction of Mrs. Nora M. Jacobs, the Concert Choir maintained a rigorous schedule of performances. This group of selected voices performed at the two annual school concerts as well as at various civic organizations throughout the valley. Area churches also witnessed the performance of the choir at their Youth Sunday services. The vocalists again journeyed to Philadelphia to sing in City Hall Courtyard. Thanks to the hard work of both the director and the singers, the choir has had a very successful year.

## MADRIGAL CHORUS

In its second year, the Madrigal Singers have proved to be a very successful organization. This group, consisting of about twenty female voices, sang at the annual school concerts, various meet

ings, and civic affairs, and perhaps most memorable, the Courtyard at City Hall in Philadelphia. Our thanks goes to Mrs. Nora M. Jacobs who so ably directed this group.

## VARSITY CHEERELEADERS

Upper Perk's nine lively Varsity Cheerleaders have worked hard throughout the year cheering our teams on to victory. They have done a fine job in promoting the much-needed school spirit at U.P. Their energy was displayed through the numerous posters seen in the halls and the beat signs worn by the students. At games, pep ral-

lies, and the Thanksgiving Bonfire they aroused the crowd to cheer for our teams. New cheers and jumps which had been learned at the American Cheerleader Association were introduced. Three girls, Elaine Hagenbuch, Diana Leister, and Linda Herrmann attended this camp last summer.

OFFICERS ROW 1: Linda Windish, Kathy Derr, JoAnn Fichter ROW 2: Doris Moyer, Gloria Roeder, Bertha Goodman

The Future Homemakers of America is an active and ambitious group of girls. Under the guidance of Mrs. Margaret Yoder, the club has again earned an impressive number of honors and awards in both state and local competition.

This year's activities included exhibits at the community fair and the State Farm Show, sewing contests, a local fashion show, fund raising projects, and several educational trips.

Gloria Roeder served as State first vice-president this past year. A number of girls received their chapter degrees, and both Gloria Roeder and Bertha Goodman received the State Homemaker Degree, the highest award given to an F.H.A. member.

Because of their various activities in the classroom and out, these girls will develop into dependable leaders of home and community life.

The Upper Perkiomen Chapter of the Future Farmers of America started the 1965-66 school year by displaying its window exhibit at various area fairs. The exhibit, entitled "Project 70" dealt with Pennsylvania's program for the development of better recreational, business, and industrial sites.

In October the parliamentary procedure team won first place in the Bucks-Lehigh Montgomery area contest. The team also represented the B-L-M area in the regional contest. In November several "Greenhands" were raised to the chapter degree. On January 12 the FFA members took a field trip to the Harrisburg Farm Show. The annual FFA banquet was held in April. In June, the qualified members will attend the Penn State FFA Summer Convention.

## YEARBOOK LAMENT

'Twas the day before deadline when all through the halls  
Each editor was banging his head on the walls  
The athletes were all lined up with great care,  
In hopes that the photographer soon would be there  
The write-ups were tucked in the wrong envelopes,  
While visions of panic drove away all bright hopes,  
And Mr. Schlicher in his stress and Mr. Foye in his strain  
Had just settled down to beg and complain  
When in room 111 there arose such a clatter,  
They sprang from their chairs to see what was the matter  
When, what to their amazement should they there see  
But layouts for pages one through ninety-three  
With faithful typists so lively and quick,  
It took but a moment for the whole room to click  
More rapid than wildfire the pages they came,  
And everyone whistled and shouted acclaim  
With the finances balanced and the art work all done,  
It seemed that at last the battle was won  
We ran to the post office full of delight,  
And heaved a big sigh as we all said "good night."

Another class history has been recorded  
Our task was great, our efforts rewarded
